Case No. 2:10-cv-0106-LRH-PAL

**EMERGENCY MOTION**

**RIMINI'S REPLY IN SUPPORT OF ITS MOTION  
TO SHORTEN  
TIME FOR HEARING ON ITS MOTION TO  
COMPEL DISCOVERY  
RELATING TO ORACLE'S  
MOTION FOR ATTORNEYS' FEES**

1           **1.       *Rimini's motion to shorten time is not moot.***

2           Even with this Court's extension of time for Rimini to oppose the fees motion, Rimini's  
3 experts and lawyers will need time to review and analyze the information before filing that opposi-  
4 tion. If the Court does not consider the motion to compel on an expedited basis, it will be well  
5 into January before Oracle produces the material requested. As such, this Court should still re-  
6 solve the motion to compel on an expedited basis.

7           **2.       *The shortened time no longer has to include briefing on the motion to compel***

8           In light of the Court's order granting Rimini time to oppose Oracle's motion for fees, how-  
9 ever, Oracle does not need to file an expedited response to Rimini's motion to compel. Its re-  
10 sponse is due tomorrow (December 10, 2015), anyway, under Local Rule 7.1. Rimini's reply brief  
11 will be due about December 21, 2015, depending on Oracle's service of the opposition.

12           **3.       *This Court should set a hearing on the motion to compel***

13           Rimini requests that the Court set a hearing, or resolve the issue, as soon after December  
14 21 as possible.

15  
16           December 9, 2015
